Dear Sir/Madam,

**Scheme Title: PHA062 Beccles Road, Bradwell**  
**Type of Work: Toucan Crossing**

I am writing to inform you of our proposed traffic management to enable the planned Toucan Crossing works on A143 Beccles Road. The proposed crossing is to be installed on Beccles Road, 35m south-west of its junction with Green Lane.

Works are planned to start on 20 January 2025 and last 6 weeks. The junction between Green Lane and Beccles Road will be closed throughout this period.

There will be a road closure on Beccles Road near the proposed crossing location, from 17 February – 28 February, during daytime hours only (07:00am – 17:00pm), excluding weekends. At all other times whilst the works are being carried out, Beccles Road will be open under temporary traffic lights.

Access to properties within the work extents will be maintained at all times and site staff will be working to keep any delays to a minimum.

I trust the above information will be useful, however, should you have any queries please do not hesitate to contact me.
