Bradwell: Blackbird Close – Puffin Crossing, Traffic Lights Replacement

The replacement of the traffic lights at the Puffin crossing on Blackbird Close adjacent to Morrisons is due to start on 27 January 2025. The work is expected to take 4 days to complete, weather permitting.

This is part of a countywide traffic light replacement programme which involves updating traffic lights where necessary to ensure that they continue to meet current standards and work reliably and efficiently.

A temporary crossing will be in place while the existing lights are off for replacement. The work will involve the removal and replacement of the traffic lights with new equipment, including underground ducting and cabling.

The County Council thanks people for their patience while this traffic light replacement work is carried out.

The work which will cost £30,000, will be carried out by Norfolk County Council's Infrastructure Department and their contractors.

For further information

Mike Crouch, Project Engineer, 0344 800 8020.

Up-to-date information about roadworks in Norfolk is available on the County Council website at www.norfolk.gov.uk/roadworks
